
Student Performance Analysis

— Yaqeen Alkathiri, Shreyas Ugemuge, Shiru Hou,
Mohammed Alhabsi. —

Faculty Sponsor: Dr Philip Chan

The Main Idea of the Project

The goal of the project is to use the data provided and examine the ‘behaviors’ that would or would not lead to a better grade.

How to Approach the goal of this project :

There are three primary parts to this project. **Conceptualizing** the behaviors, **extracting** these behaviors from the data and **correlating** them to the grades using data mining.

Thank you!

Any Questions ?
