
Student Performance Analysis

Done by : Yaqeen Alkathiri, Shreyas Ugemuge,
Shiru Hou, Mohammed Alhabsi.

The Main Idea of the Project

The goal of the project is to use this data and examine the ‘behaviors’ that would or would not lead to a better grade.

How to Approach the goal of this project :

There are three primary parts to this project. **Conceptualizing** the behaviors, **extracting** these behaviors from the data and **correlating** them to the grades.

Thank you!

Any Questions ?
